

Classes and Examination for the 1st Year BTech and Dual Degree Students

- **Commencement of Classes: 26-11-2021 (Friday)**
- **Modes of Running of Classes:**
 - **In Online Mode (Live Streaming): For All Students During Quarantine Period.**
 - **In Hybrid Mode: On Completion of the Quarantine Period.**
 - a) **Students in the campus will attend classes with physical presence in class rooms and those who are under 18 years and permitted by the Dean, Academic to stay at their homes, will access for the same classes, in Online Mode.**
 - b) **When the institute permits a fraction of its students to attend classes online from their homes in a subject, Examinations in that subject falling in that period will be conducted in Online Mode for all the students of that subject.**
 - c) **Date of Commencement of Hybrid Mode classes will be intimated shortly.**
- **Laboratory Classes:** **Partial laboratory will be conducted in Online Mode during the quarantine period followed by the Hybrid Mode, as stated at (b). Those who were permitted to and have attended on-line classes from their homes (during both the modes run by the institute) for the laboratory practice will be provided with compensatory lab classes for the hands-on part after they report to the campus.**
