Note: On the day of interview, the candidates are expected to have or arrange the following on their own. **Further instructions related to the online interview, including the meeting link will be shared through a separate email in due course of time.**

- 1. A stable internet connection.**
- 2. A device that supports both audio and video communication.**
- 3. An adequately illuminated room free from distractions and background noises.** You are advised to have a wired / wireless headphone handy with you, as it will help in minimizing the background noise.
- 4. A notebook with a set of pen/pencils** within your reach.
