**विषय/ Sub: Proposal for availing Institute residential accommodation by the Faculty & Staff - reg.**

In order to make Institute campus as a vibrant living community the Institute is making all necessary efforts to provide essential amenities like school, market complex, bank and post office etc. inside the campus. All such facilities would be made available maximum by end of July 2022.

At present, the Institute has required number of entitled accommodation for all its faculty & staff.

In view of the above, all are encouraged to apply for official accommodation as per their entitlement and move to the campus to make it as an inclusive unit.

As the Institute would not keep its already built infrastructure in the form of residential accommodation vacant and those will be allotted to the employees as per the entitlement.

This may be treated as a prior information to all concerned.
