GATE scores for MTech seats at IIT Bhubaneswar

STATESMAN NEWS SERVICE
BHUBANESWAR, 16 JUNE:

IIT Bhubaneswar has released the first round of selection list for M Tech admissions for the July 2020 academic session in 14 MTech specializations.

The institute reported a significant rise in the opening and closing GATE scores of the selected candidates compared to the last year.

The average rise this year in the opening and closing ranks over the last year are 8.6 and 12.17 percent respectively.

The opening and closing GATE scores for the Computer Science and

Engineering specialization this year are 888 and 779, respectively for the general category and 737 and 616, respectively for SC

The institute reported a significant rise in the opening and closing GATE scores of the selected candidates compared to the last year.

category.

Prof .R V Raja Kumar, Director the scores directly reflects the confidence level of the stake holders. We have been observing this rising trend for the last three years in all the programmes including BTech, MTech and MSc at IIT Bhubaneswar".

A rise of 12.17% is very significant, it is very satisfying to all of us at IIT Bhubaneswar, it would encourage us to work harder, he added.
