

IIT BBS alumni hold industry connect

Saturday, 28 September 2019 | PNS | BHUBANESWAR

The first ever industry alumni connect outside home turf is being organised by the Indian Institute of Technology (IIT), Bhubaneswar Alumni Association.

The talk is titled as "Think IIT Bhubaneswar" which showcase the institute primary thrust areas of R and D ranging from energy (Grid/Distribution/Storage, Conventional and Non-Conventional), climate, water resources, IoT and micro manufacturing.

A team headed by IIT BBS Director Prof RV Raja Kumar will be part of the event. The panels of speakers include Prof RV Raja Kumar and other Deans and Heads of School at IIT Bhubaneswar. The same was organised at Bangalore International Centre on February 28.
