

## [IIT BBS, AMRI hold health camp](#)

Sunday, 16 February 2020 | PNS | BHUBANESWAR:

A medical camp was held by the Medical Unit of the IIT Bhubaneswar in collaboration with the AMRI Hospitals in the institute's campus on Saturday.

IIT Bhubaneswar Director Prof RV Raja Kumar appreciated the initiative by the Medical Unit of the institute headed by Dr MA Khan, and the AMRI Hospital for the collaborative initiation.

He stressed that the students, faculty, officers and staff members including their dependants owing to their busy working schedules and paucity of time for personal commitments, often neglect their health and said that taking the same into consideration, the institute organised the medical camp in the best interest of the staff.

The students, faculty, officers, staffs and their dependants were checked by team of medicine specialists, gynaecologists, paediatricians and Orthopaedician from AMRI.

The camp witnessed active participation from a total of 250 students, faculty, officers and staff members including their dependants.
