## IIT BBS holds Education Day

Friday, 13 November 2020 | PNS | BHUBANESWAR

The IIT Bhubaneswar on Wednesday organised the National Education Day on the eve of birth anniversary of great freedom fighter and first Union Education Minister Maulana Abul Kalam Azad.

Institute Director Prof RV Raja Kumar and others paid floral tributes to Azad. “During Azad’s stint as first Education Minister, several important initiatives like setting up of IIT Kharagpur and thereby the IIT systems, IISc Bangalore, School of Planning and Architecture and University Grants Commission (UGC) were taken. He believed that India as a nation should aspire for high educational standards and never compromise on that count,” said the Director. He said the IIT Bhubaneswar is committed to promoting education of global standards.

He called upon IIT Bhubaneswar family to pay homage to great personality, derive inspiration and rededicate them for the cause of education.
