IIT hosts alumni-industry meet

In a first, IIT Bhubaneswar organised an industry-alumni meet recently outside Odisha. The talk was titled "Think IIT Bhubaneswar" to showcase the Institute's primary thrust areas of R & D ranging from Energy (Grid/Distribution/Storage, Conventional and Non-Conventional), Climate, Water Resources, IoT and Micro manufacturing. A team headed by director RV Raja Kumar, visited Bangalore to attend the event. The heads of all schools of IIT Bhubaneswar also attended the event at Bangalore International Centre.
