IIT Bhubaneswar concludes AR/VR conclave in City

POST NEWS NETWORK

BHUBANESWAR: IIT Bhubaneswar concluded a three-day conclave on AR/VR and Hackathon in association with Software Technology Parks of India (STPI), Govt. of Odisha here Sunday.

The valedictory ceremony had an interesting talk by Subroto Bagchi, chairman, Odisha Skill Development Authority, Govt. of Odisha.

"I would like to congratulate all participating institutions and teams for the enthusiasm and innovation they showcased. The Conclave and Hackathon is conceptualized to encourage creativity and technology development amongst the engineering students across the country in AR-VR," said, Prof. R.V. Raja Kumar, Director, IIT Bhubaneswar.

Bagchi gave a thought provoking and an inspiring talk by citing real life examples to the participants and encouraged them to take up activities in AR/VR.
