

IIT Bhubaneswar conducts vaccination drives for students, faculty and non-faculty members

[komalsingh](#) 21 hours ago

Indian Institutes of Technology (IIT) Bhubaneswar has recently been awarded students, faculty and staff in four slots on May 15, June 7, 15 and 16 at three different centers in the Bhubaneswar and Koda districts. , And its dependents were given a vaccination drive.

“Given the tremendous increase in Covid-19 cases across the country, IIT Bhubaneswar has created a campus and community student, faculty, staff, and security, housekeeping, and horticulture against deadly viruses. , With active support from the government’s Ministry of Health and Family Welfare, successfully vaccinated in all four slots. Orissa and the Ministry of Education, Government of India. “IIT Bhubaneswar said in an official press release. wrote.

In the Covid-19 pandemic, IIT Bhubaneswar took strict measures by the Institute’s Covid Prevention Task Force (CPTF) to prevent the spread of the virus. “The Institute was able to protect the campus from Covid until April, with the exception of five in September 2020,” the Institute added. 19 But it was handled successfully.

IIT Bhubaneswar commented on the promotion of vaccination and said it was done for fraternity to protect them from deadly viruses and their variants. “We also advised students at home across the country to vaccinate as soon as possible,” he added.
