

IIT Bhubaneswar placements: Placement season at IIT Bhubaneswar to begin from Oct 31

BHUBANESWAR: The ultimate 12 months college students are all equipped for the upcoming placement season at IIT Bhubaneswar which is scheduled to start from October 31. Placement interviews can be carried out through on-line mode owing to the Covid-19 restrictions.

“Amid doubts expressed throughout in regards to the the destiny of placements for engineering college students throughout 2020-21, the IIT Bhubaneswar college students have began getting pre-placement gives (PPOs) which reveals an encouraging placement season forward this 12 months,” mentioned the official sources.

RV Raja Kumar, IIT Bhubaneswar director, mentioned the institute has seen a surge

in PPOs this 12 months with the gives acquired already equalling final 12 months’s complete gives and is bound to surpass. Not a single firm has cancelled their job gives issued to the scholars this 12 months, he added.

The shift in direction of the digital mode of hiring by organizations for the campus placements is bound to create a brand new pattern of hiring course of. Firms use PPOs to get an early benefit within the struggle for expertise on the placement season in campuses.
