IIT's final semester to be held online

POST NEWS NETWORK

Bhubaneswar, June 3: The IIT-Bhubaneswar Senate has decided to conduct the final semester examination online.

The decision in favour of holding the examination online was taken by the Senate to uphold the rules of the institute and graduate the students without compromising on the standards of evaluation.

Two alternative examinations are scheduled – one from June 24 and another during the end of July/first week of August – to facilitate the students to take any one of the examinations in case it takes time for a student who does not have facilities to acquire the facilities to take the online examination at home or from a nearby facility. If the situation improves, a student may also have the option to come to the campus and take the second examination.
