IIT placement season from Oct 31

Bhubaneswar: The placement season at IIT Bhubaneswar will begin from October 31. Placement interviews will be conducted online.

“Amid doubts expressed all around about the fate of engineering students in 2020-21, IIT Bhubaneswar students have started getting pre-placement offers (PPOs), which is an encouraging sign,” said official sources. RV Raja Kumar, IIT Bhubaneswar director, said the institute had seen a surge in PPOs this year, with offers received already equalling last year’s total. TNN
