New session at IIT BBS

● Express Features

IT Bhubaneswar conducted registration for Ph.D. and PG students on its campus recently. An Orientation programme for these students will be conducted on July 20.

Director RV Raja Kumar will address the new batch on the occasion. A 'Fresher's got talent' programme will be held on August 12 for the PG students at Brahma-putra Halls of Residence.

"M. Tech and Ph.D. students constitute an important class of students who have done well in their bachelors, proved themselves typically in the university system and come to IIT for specializing in a narrow area of their domain. Most of them either join in research and development organizations or educational institutions of the country. Last year, the institute started three new programmes in M Tech," the director said.
