## Session on Corona at IIT

### Express Features

**I**T Bhubaneswar hosted an interactive awareness session on Novel Corona Virus (COVID-19). The seminar was organized by the institute's medical unit. In a session presided over by IIT director RV Raja Kumar, professor and head of the Department of Microbiology, AIIMS Bhubaneswar, Dr. Bijayanimala Mishra, was the key speaker. The speaker spread awareness about the precautionary measures for the same.

Professor Raja Kumar highlighted the need to have basic knowledge about the corona virus so that preventive measures can be taken up effectively and timely. He also encouraged the students and employees to keep themselves updated on health related information so as to minimize health risks and contribute towards the creation of a healthy society. He urged the people not to believe in unauthenticated and false news, being spread by social media. The awareness talk was followed by a question and answer session for the participants.
