Bhubaneswar: IIT-Bhubaneswar's 11th edition of the techno-management festivals — Wissenaire 2021 — commenced on the campus on Thursday.

Former Defence Research and Development Organisation (DRDO) chief VK Aatare inaugurated the function via video conferencing. IIT Bhubaneswar director RV Raja Kumar presided over the fest. The theme of this year is 'Transhumanism'.

"We as humans, may not be able to surpass the nature despite the technological revolutions," Aatare said during the inauguration.
