Students of different City colleges walked the ramp at Symphony Mall, showcasing western and fusion attire. The fashion show, Aghaaz, was hosted by IIT Bhubaneswar in the run-up to the institute's annual techno-cultural fest, Alma Fiesta.

Around 80 participants battled it out in three rounds. The first round was a self-modelling round and it was further divided into two parts. In the first part the participants had to walk the ramp alone and for the second part they were randomly paired up for the couple walk.

The ensemble that they showcased was a blend of western, Indo-Western and traditional wear. The second round commenced with 34 qualifiers, where they showcased the collections of a popular fashion brand.

Top 10 finalists were answered the questions put forth by judges. After a final ramp walk the winners were declared. Nidhi Dubey was adjudged as Miss Alma Fiesta was, while the title of Mr. Alma Fiesta was won by R J King.
