

2 IITBBS teams get innovation awards

Sandeep Mishra | TNN

Bhubaneswar: The students of Indian Institute of Technology Bhubaneswar (IITBBS) have once again brought laurels for the premier institute by grabbing the first and third prizes on Monday at the Smart India Hackathon 2019 held in different parts of the country.

The first prize was awarded to team Champions-Sam — comprising Aman Pratap Singh, Aditya Pal, Meghna Saha, Saksham Arneja, Madhav Tummala and Ankur Jaiswal.

The third prize was awarded to Team Prajjwala, comprising Rahul Kumar, Rahul Mahanot, Avani Patidar, Mantri Harsh Rakesh, Muthaluru Chaitanya Shiva Kumar Reddy and Mrudhul Guda.

The first team was mentored by Joy Chandra Mukherjee while the second was mentored by Mohnish Chatterjee of IITBBS. Two teams from the institute made it to the final round of the competition. The first prize winner developed a solution using technology that can be used to manage public announcements in a physical space.

Team Prajjawala developed a sensory attachment to a gas cylinder and it can intimate about the gas status in a cylinder online so that the gas filling can be made well-organized.

“This is indeed a proud moment for each one of us at IIT Bhubaneswar,” said director R V Raja Kumar.
