

## IIT Bhubaneswar Sets Up a Help Desk for JEE Advanced Aspirants from Odisha

The Indian Institute of Technology Bhubaneswar has set up a helpdesk for the candidates who have suffered under the Cyclone Fani and are appearing for the JEE Main 2019 exam. IIT Bhubaneswar will also provide transportation to the students.

HRD Minister Prakash Javadekar had announced that the dates for registration for JEE Advanced Examinations had been extended by five days. Soon after this decision, the [Indian Institute of Technology Bhubaneswar](#) has announced that they have set up a help desk to help all those candidates who wish to appear for JEE Advanced this year will be able to register from the campus of IIT Bhubaneswar.

According to an Official from IIT Bhubaneswar, they will be able to provide the internet facility to the aspirants in order to register themselves for [JEE Advanced 2019](#). HRD Minister Javadekar had instructed IIT Bhubaneswar to help the students from Odisha to continue with their online registration for JEE Advanced 2019. The dates have been extended for the registration process by 5 days upon the request of the CM of Odisha Naveen Patnaik.

Prof. R.V. Raja Kumar, Director of the Indian Institute of Technology Bhubaneswar had stated that the campus will be able to provide the students with the necessary facilities that are required for the registration process for JEE Advanced. They have also announced that they will be providing a bus service that can be availed by the candidates to and from the college. He also stated that they will be doing everything that has been directed to them by the HRD Minister.

The bus service provided by the Indian Institute of Technology Bhubaneswar will begin its journey from Patia Square while travelling through Jaydev Vihar-Khandagiri with its final destination being IIT Bhubaneswar. The will be available for the candidates to use from 9 a.m. to 2 p.m.
