## IITBBS tips for JEE(Advanced) rank holders

**Sandeep Mishra** | TNN

**Bhubaneswar:** The Indian Institute of Technology (IIT) Bhubaneswar has decided to host an exclusive counselling session on June 18 on its permanent campus at Argul near here for the students, who will clear the Joint Entrance Examination (Advanced), the results of which will be declared on June 14.

Dubbed as Open Day, the IIT BBS administrators on the day will not only hold the counselling session for the JEE Advanced 2019 rank holders but also for the students preparing for JEE examination to be held next year to educate them on how to crack the national-level examination.

During the day, the students and their parents will be able to explore various departments of the premier institute as well as see the facilities and interact with the faculty to know the IIT system.

The session will commence at 09:30am with general talks on IIT education and admission process and campus life at IITBBS.
