

IIT Bhubaneswar Ranked 151-200 In Times Higher Education (The) Young University Rankings 2019

June 27, 2019

Bhubaneswar: The Times Higher Education (THE) Young University Rankings list the world's best universities that are aged 50 years or under. IIT Bhubaneswar has been ranked 151-200 in Times Higher Education (THE) Young University Rankings 2019. From the Indian scenario, the institute has been ranked 5th with premier national Indian Institutions. The Institute has been ranked at 03rd position in research citations in India.

“At IIT Bhubaneswar, we have been constantly striving to raise the standards of the operations of the Institute on all fronts such as quality of education including learning, teaching, strengthening of research and fostering innovation towards providing holistic development of students along with improving quality faculty base. It is very satisfying to note THE rank the institute at 3rd position on research citation in the country. Citation can be considered as an acid test for research quality and personally I would like the institute to further scale-up new heights. It is indeed very satisfying to see the Institutes position or rank going up in all the ranking frameworks in the country as well as at global level. We are committed to making IIT Bhubaneswar a top-notch research hub locally, nationally and internationally” said Prof. R.V. Raja Kumar, Director, IIT Bhubaneswar.

The Times Higher Education Young University Rankings apply the same methodology as the World University Rankings to assess research-intensive universities across all their core missions: teaching, research, knowledge transfer and international outlook. However, the weightings are recalibrated to reflect the profile of missions of young universities. The performance indicators are grouped into five areas: teaching (the learning environment); research (volume, income and reputation); citations (research influence); international outlook (staff, students and research); and industry income (knowledge transfer).

IIT Bhubaneswar has been ranked by various credible national agencies in the Engineering subject. The Institution has been ranked 17th by National Institutional Ranking Framework (NIRF)-MHRD, 9th rank by India Today and also by Times Engineering rankings 2019, 10th rank by the Careers 360, 15th rank by The Week Hansa research survey among India's best Engineering Institutes in the country. IIT Bhubaneswar has also been figured into International rankings like Times Higher Education and QS. The Institute was ranked at 107th within BRICS countries and 21st rank within India as per QS World University rankings. As per Times Higher Education (THE) 2018, the institute has been ranked 601-800 among institutes across the world

and 10th in India among institutes, where it has been ranked 3rd in citation scores in India. Also as per THE Emerging Economies University Rankings 2019, the institution has been ranked at 153rd position within emerging countries (20th rank within India), 131st ranking by THE Asia University rankings 2019(13th rank within India). The Institute has been ranked at 301+ among 450 Universities in 76 countries (4th in India) as per THE University Impact Rankings 2019.
