IIT BHUBANESWAR ORGANIZES MEDICAL CAMP

Bhubaneswar: From the time of its inception, IIT Bhubaneswar has been consistent in its commitment to offer comprehensive medical care and wellbeing of its students, staff including faculty, officers, non-teaching members and dependant of the staff. The Medical camp was organized by Medical Unit of IIT Bhubaneswar in collaboration with AMRI Hospital, Bhubaneswar at the Community Centre located in its campus.

Speaking on the occasion, Prof. R.V. Raja Kumar, Director, IIT Bhubaneswar appreciated the initiative by the

Medical Unit of IIT Bhubaneswar headed by Dr MA Khan, in collaboration with AMRI Hospital and also stressed that faculty, officers and staff members including their dependants owing to their busy working schedules and paucity of time for personal commitments, often neglect their health. Taking the above into consideration, we at IIT Bhubaneswar organized the medical camp in the best interest of our workforce. We believe that this programme includes a timely preventive health check-up and it can help to minimize health risks and

contribute towards creation of a healthy society.

A series of tests viz. Free Blood Sugar, ECG (on doctor's advice), Pulmonary Function Test (PFD), Eye Check Up were undertaken between 9am-2pm. The Faculty members, officers, staff members and their dependants were checked by team of Cardiologists, Medical Specialists, Gynaecologists and Ophthalmologist from AMRI hospital. The camp witnessed active participation from a total of 112 faculty, officers and staff members including their dependants.
