**STPI Celebrates 4th Anniversary of Digital India with Digital Shows and Formal Talk Show**

**Bhubaneswar:** On the eve of 4th Anniversary of Digital India, Software Technology Parks of India organized digital shows and a formal talk show among the scribes on Monday at STPI and IIT campus, Bhubaneswar for befitting them the growing aspect of digital development in Odisha.

Digital India is a flagship programme of the Government of India with a vision to transform India into a digitally empowered society and knowledge based economy.

Digital India was launched on 1st July 2015 in order to ensure the government's services are made available to citizens electronically by improved online infrastructure and by increasing internet connectivity.
