Importance Announcement for M.Tech. Admission 2019-20:

1. The COAP 2019 registration portal has been activated. All GATE qualified candidates, interested to apply for M.Tech. admission, should register first in the Common Offer Acceptance Portal (COAP) before filling online application in the IIT Bhubaneswar website. Click here to visit COAP 2019 website for registration.

2. After successful completion of registration at COAP, a candidate will receive the "COAP Registration No."

3. The candidate has to use this "COAP Registration No." in his/her online application and access information on his/her offers made (if any) from the participating Institutes during the time windows to be announced on the COAP portal.
