Aeroengine MIG-21 R-11 at IIT Bhubaneswar Campus

6th March, 2019: It is matter of immense pride that today IIT Bhubaneswar received an Aeroengine of MIG-21 R-11 T-70121025 (Serial No.) from Air Force Station, Kalaikunda on the request of **Prof. R.V. Raja Kumar, Honorable Director, IIT Bhubaneswar** made one year back.

Prof. R.V. Raja Kumar says that the underlying technologies in the design and manufacturing of MIG 21 were inspiring too.

(Aeroengine MIG 21 R-11)

This engine is **exhibited** at the **foyer** of **School Of Mechanical Sciences, IIT Bhubaneswar** for the benefit of students and visitors to the Institute.

📍 Indian Institute of Technology Bhubaneswar, Argul, Khordha PIN - 752050, ODISHA, INDIA
