

IIT Bhubaneswar Young Minds Research Visit to China

International Cooperation in less than a Year!!

The story of cooperation begins with a delegation visit from Shantou University, China (Dr. Xiong Bin Peng, Dr. Ankit Garg and Dr. Akhil Garg (now at Huazhong University of Science and Technology) to IIT Bhubaneswar in January 2019. Under the leadership of Honorable Director of IIT Bhubaneswar, the delegation interacted with faculties and students of School of Infrastructure and School of Mechanical Sciences. Discussions on Chinese government scholarships, summer internships, as well as student exchange at both undergraduate and postgraduate student was held.

Due to the above Initiative followed by Faculty associated with Internship Coordinator, 6 students from IIT Bhubaneswar were recruited from summer internship at Shantou University, Guangxi University (Prof Guoxiong Mei, Dean of College of Civil Engineering and Architecture) and Qingdao University of Technology (Prof Junwei Liu, Vice-Dean of College of Civil Engineering) in research areas of Energy storage, Green construction and Artificial Intelligence (AI). Joint research publications have been disseminated in reputed Journals through this visit. In addition, one PhD student (Mr. N. Gangadhara Reddy) has been also awarded China Scholarship Council (CSC 2019-2020) for one-year research visit at Shantou University. It is proud to say that he is the only awardee among all IITs. Special thanks to HoS of Infrastructure (Prof R. K. Panda), Mechanical Sciences (Dr. Mihir Ku. Pandit), Dr. Hanumantha Rao (Faculty coordinator, Infrastructure), Dr. Prasenjit Rath (Faculty coordinator, Mechanical Sciences), as well as Student internship coordinator, Mr. Abhishek Mishra (2019 Internship Coordinator) for entire visit coordination and summer research plan.
