- Date:** 21st March 2022 (Monday)
- Time:** 5:30 PM
- Venue:** Community Center, IIT Bhubaneswar

Biography of the speaker:

Prof. G. S. Murthy is well-known academician, researcher and social activist. As an academician, Prof. Murthy served for 36 years to Andhra University at various positions and responsibilities such as Head of the department, Chairman Board of Studies, Director of School of Chemistry, etc. He represented India as international panel member in Spectrum-94 at Atlanta, USA organized by International Atomic Energy Agency (IAEA). He extensively toured USA and visited the many National laboratories there to deliver lectures on his field of research. He was visiting professor at the University of Sal ford, Manchester, UK in 1995. He is recipient of lifetime achievement award in Nuclear chemistry conferred by the IANCAS (Indian association of Nuclear chemists) and allied scientists in Jan 2014 at BARC, (Babha Atomic research center) Mumbai. Post retirement, Prof. Murthy worked with Bharat Ratna Sri Nanaji Deshmukh at Deendayal Research Institute, Delhi. He worked as honorary resident Director at SAMKALP (A Civil Services, IAS guidance academy) at Delhi and continuing the social activities at Sanskritik Gaurav Sansthan, INEDO, etc. His activities are planned to bring in emotional integration among the youth of North East provinces through various interactive programs like lectures, seminars, youth festivals reflecting the culture and tradition.
