No. F. 15-6 (01) /2020- Acad/SC
Date: 4th May, 2021

NOTICE No. *103*/2021

With reference to the Office Order No.102, dated 03.05.2021, online applications (through ERP) in the prescribed format for M.Tech. Specialization change are invited from the interested and eligible Dual Degree students who have successfully completed or likely to complete their 3rd year (6th Semester) in the Academic Year 2020-21. The application of such students should duly be recommended by the Faculty Adviser and Head of School through ERP, after the publication of 6th Semester results. The **last date for submission of application in ERP is 31.05.2021.**

Rules for Dual Degree Specialization change:

1. **Students should obtain minimum CGPA of 8.00 at the end of the 6th Semester without pending backlog (i.e., the student must have cleared all backlog subjects), to be eligible for the specialization change.**
2. **Specialization can be changed within the core branch only.**
3. Maximum number of students to be permitted for specialization change is such that the strength of the students registered in a programme should not fall by more than 10%.
4. No change in specialization is permitted from a branch if the student strength is less than 50% of the intake strength.
5. Students may apply towards the end of 3rd year B. Tech for specialization change. The decision will be taken after the declaration of the 6th semester result.
6. New Roll numbers will be issued appropriately for the branch to which the student joins after specialization change.
7. **Specialization change is not reversible. Students have to accept the decision.**
8. In case of a tie, it will be broken by the JEE (Advanced) rank of the applicants.

Students should be very careful while choosing the option for specialization change. No modification is permitted after submission of online application. Academic Office will fill up the CGPA on the basis of CGPA obtained by the student, after declaration of the Spring End Semester (6th Semester) result.
