Dated: November 16, 2019

On November 16, 2019, the UBA Team organised an inter-school sports competition amongst the students of the schools from UBA-adopted villages in the ground in front of Mahanadi hall of Residence. This is the first inter-school competition organised by the UBA team. About 37 students from Khudupur Upper Primary School and Podapada Upper Primary School participated in this event.
